ABOUT

STEP INTO THE WORLD OF ITZEL

SOME EVENTS FILL A ROOM.

OTHERS TRANSPORT YOU
SOMEWHERE ELSE ENTIRELY.

Inspired by the mythology, artistry and spirit of ancient Mexico, ITZEL is Mayfair's newest cultural destination. By day, our spaces host everything from brand launches, corporate gatherings and private celebrations to intimate dining experiences.

As the evening unfolds, ITZEL naturally transforms into one of London's most immersive nightlife destinations.

Set across three distinctive spaces, ITZEL brings together immersive design, world-class music, contemporary Mexican cuisine and hospitality that feels effortless, creating experiences that linger long after the last guest leaves.

FLAVOUR. ENERGY. CELEBRATION.

More than somewhere to dine, the Taqueria is woven into the rhythm of ITZEL.

Bold contemporary Mexican street style cuisine and vibrant interiors create a social space where conversations begin and celebrations continue.

Whether enjoyed as part of a larger event or experienced on its own, the Taqueria brings warmth, colour and unmistakable energy to every occasion.

MUSHROOM ROOM

A PRIVATE OASIS DESIGNED FOR THOSE
LOOKING TO DISAPPEAR INTO A WORLD OF
THEIR OWN.

Surrounded by hand-painted UV artworks, the Mushroom Room comes alive under the glow of neon, transforming the space into an immersive, almost otherworldly escape. Playful, unexpected and completely removed from the outside world, it also features private karaoke facilities for nights that become entirely your own.

Perfect for intimate celebrations, private parties and late-night karaoke, the Mushroom Room offers a more playful side of ITZEL, somewhere between fantasy and reality, where the night can take on a life of its own.
